

ARE YOU CURRENTLY PURSUING POSTSECONDARY EDUCATION OR CONSIDERING YOUR OPTIONS?

Education can help open doors – and leave them open – providing you with flexibility and control, now and into the future. Scholarships can make the cost of your education more manageable. - AIR Gives Opportunity Scholarship: This scholarship is designed to assist college freshmen or returning undergraduates.
- Bill Gandert Memorial Vocational Scholarship: This scholarship program is directed to graduating high school seniors interested in studying a specific trade (electrician, nurse, plumber, medical assistant, hair stylist, paramedic, etc.)
- Mary Lou Manzie Memorial Scholarship: Assistance will be provided to benefit nontraditional students (students who have been out of high school for at least three years) in pursuing an associates or undergraduate degree.
- Neil Churchill Memorial Scholarship: Assistance is provided to those eligible applicants who are seeking to complete graduate level coursework.
